**REVIEW**

The 2019 Chardonnay Hyde Vineyard comes from a well-known site in Carneros, in the southern part of Napa Valley. This is pure class all the way and has a vivid perfume of citrus blossom, honeyed minerality, green almond, and a touch of charcoal. It shows more richness on the palate and is medium-bodied, has a beautifully layered mouthfeel, integrated acidity, and one heck of a great finish. I don't think there's much of this to go around, but it's up there with the crème de la crème of California Chardonnay. It needs lots of air to show at its best today and will benefit from 2-3 years of bottle age and shine over the following decade.
