The 2020 Chardonnay Hyde Vineyard bursts from the glass with flamboyant notes of grapefruit oil, apricots, and spiced apples with suggestions of cedar, almond croissant, and preserved ginger. The medium-bodied palate delivers fantastic tension to complement the silky texture and concentrated, opulent fruit, featuring loads of citrus and mineral sparks, finishing long, and layered. The wine was aged 26 months in oak, 25% new. 106 cases were made, due to be released in January 2023.
